Worksheet keys · 1/2

Answer key

Worksheet 01 · 1.

YES

lived flips lives; had taken flips turned down. Sound.

Worksheet 01 · 2.

YES

didn't have flips is; hadn't lost flips lost. Sound.

Worksheet 01 · 3.

NO

Dani wishes he didn't work night shifts, but he wishes he hadn't forgotten the renewal.

First wish copied the night-shift fact; polarity must flip. Second wish sound.

Worksheet 01 · 4.

YES

could flips can't; hadn't refused flips refused. Sound.

Worksheet 01 · 5.

NO

Paco wishes he spoke French, but he wishes he had gone to the Lyon course in March.

spoke sound; the regret needs had + gone (gone from the bank), not a present form.

Worksheet 01 · 6.

NO

Hugo wishes he didn't travel so much, but he wishes he hadn't left his camera on the train.

The travel wish is sound. Closed-past left needs hadn't left, preserving the train.

Worksheet 01 · 7.

She wishes she had gym time and she wishes she hadn't cancelled that course.

A regret about a completed past event needs had(n't) + past participle.

Worksheet 01 · 8.

Two invented adult facts: a current situation and a completed past event.

Two wishes preserve the facts and express contrasts with appropriate past and past-perfect forms.

I work weekends; last year I refused a course. I wish I didn't work weekends and I wish I hadn't refused that course.

Other grammatical complete wishes matching the invented facts; contractions accepted.

Answer key

Worksheet 02 · 1.

Lena said she supervised the workshop there that day.

8 October 2026; she = Lena.

that optional in statements; if/whether both valid for the yes/no question; equivalent unambiguous names or date notation accepted.

Worksheet 02 · 2.

Marta said she had signed the contract that day.

10 May 2026; she = Marta.

that optional in statements; if/whether both valid for the yes/no question; equivalent unambiguous names or date notation accepted.

Worksheet 02 · 3.

Eva asked Bruno whether he led the tour there that day.

1 July 2026; he = Bruno.

that optional in statements; if/whether both valid for the yes/no question; equivalent unambiguous names or date notation accepted.

Worksheet 02 · 4.

Omar asked Noor where she had stored the samples that day.

6 August 2026; she = Noor.

that optional in statements; if/whether both valid for the yes/no question; equivalent unambiguous names or date notation accepted.

Worksheet 02 · 5.

Nora asked Alex where he worked.

An indirect question uses statement order: subject he before worked; remove did.

Worksheet 02 · 6.

A statement or a question with I/you as its subject, named speaker and listener, quoted place/date and report place/date.

Complete reported version with requested backshift; references match context; statement order in questions.

Quote: Bea (she) to Teo, Cádiz, 5 April 2026: 'I study here today.' Report: Jo, Burgos, 7 April 2026.

Bea said she studied there that day.

that optional for statements; if/whether for yes/no questions; time/place words retained when the invented context still makes them accurate.
