

Name: _____

Date: _____ EDUMATERIAL.NET

Worksheet 2 · 1/4

Comparatives: Write and Choose

Produce a comparative sentence and select an alternative satisfying two numerical conditions.

Comparative Forms

Short forms: tall → taller; fast → faster; cold → colder; long → longer.

heavy → heavier (consonant + y); big → bigger. Add than and the other thing.

Use the numbers to check direction. The choice must meet BOTH limits.

Routes: P 3 km, €4; Q 5 km, €8; R 2 km, €6. Compare Q with P (long).

Choose at least 3 km, at most €5.

Route Q is longer than Route P.

P

5 > 3. Only P meets both limits.

All data are invented. Write the full sentence with than, then choose the letter meeting both limits. At least includes the minimum; at most includes the maximum.

Worksheet 2 · 4/4

Comparatives: Write and Choose

Produce a comparative sentence and select an alternative satisfying two numerical conditions.

Now fix and produce new comparisons.

Wrong: «My bag is more bigger than your bag.» Write the corrected sentence and a brief reason.

Invent two unequal heights, speeds, lengths or weights for two named things. Give both numbers with matching units and write a full comparison with than using tall, fast, long or heavy.

Sentence direction and form match.

My choice meets both limits.
