Answer key

Worksheet 01 · 1.

YES

Past forms and both facts match.

Worksheet 01 · 2.

YES

Invitation precedes dancing; both events and their order match.

Worksheet 01 · 3.

YES

Both events, place and finished time match.

Worksheet 01 · 4.

NO

Maria watched a film and cried at the end last night.

Use watched; the crying occurred at the end, not the start.

Worksheet 01 · 5.

NO

Sam phoned grandma, then visited her two days ago.

The statement reverses the printed order.

Worksheet 01 · 6.

NO

The girls cleaned the garage and helped their dad last Sunday.

The negative contradicts cleaning; retain both events.

Worksheet 01 · 7.

Last night, Anna tried a new game.

try ends in consonant + y: replace y with i and add -ed.

Worksheet 01 · 8.

One short message to a friend containing two invented past events, last weekend and then.

2–3 sentences addressed to a friend

Two invented finished events using printed base verbs in correct regular past forms

Last weekend and then show the finished time and event order

Answer key

Worksheet 02 · 1.

Tower B is taller than Tower A.

A

$96 > 84$; A meets height and price. B exceeds price; C is too short.

Worksheet 02 · 2.

Car A is faster than Car B.

A

$120 > 95$; A meets speed and price. B is too slow; C exceeds price.

Worksheet 02 · 3.

City X is colder than City Y.

Z

$-2 < 6$; Z meets temperature and price. X is too cold; Y exceeds price.

Worksheet 02 · 4.

Bag A is heavier than Bag B.

B

$6 > 4$; B meets weight and capacity. A is too heavy; C lacks capacity.

Worksheet 02 · 5.

My bag is bigger than your bag.

Do not use more and -er together; big → bigger.

Worksheet 02 · 6.

One full own comparison derived from two unequal measurements.

Two named things and unequal heights, speeds, lengths or weights in matching units

Full sentence with than and the correct taller, faster, longer or heavier form

Direction agrees with the numbers
