How to work

Read the facts. Fix the message. Keep its first word. Line 1: your message. Line 2: the two fact codes. ? means not given. All people are fictional.

Example only: Iris writes. M-A: word I. M-B: country Ireland, not France. Message: I are from France. Use the France fact. Answer: I am not from France. Codes: M-A, M-B.

I → am. He / she → is. You / we / they → are. Add not for a negative fact. Job words: a cook, a driver, a teacher. From = country. In = place now.

Check the first word, am/is/are and the fact. Do not invent an age.
