Use the new Week 2 record

This is a different fictional week and different data. Every reply refers only to the five school days shown. Each task has three lines. Follow its line instructions; name the person or people so your reply is clear. YES means true, NO means false and ? means not given.

Separate example: Noor walks to school on Monday and Friday only. A friend says Noor walks every school day. Reply: No. Noor sometimes walks to school. Check: model; 2 YES days. The model is not D1–D4.

Read the named row before replying. Always needs every shown day to be YES; never needs every shown day to be NO. ? is neither YES nor NO. Sometimes does not mean an exact percentage. Keep the fact, name and week. For a new update, change only the stated cell; the other cells remain.

Did you use the right week/row? Are unknown and changed facts still clear?

W2 Week 2: a new record

YES: the fact is true on that day. NO: it is false. ?: not given. Only the five school days shown; no weekend or other week is described.

Code	Person and fact	Monday	Tuesday	Wednesday	Thursday	Friday
D1	Leo: eats fruit at lunch	YES	NO	NO	YES	YES
D2	Mina and Jo: are at the library after class	NO	NO	NO	NO	NO

A Read and reply

Write a clear three-line reply/check.

- 1 A friend says Leo eats fruit at lunch every school day. Use D1. Line 1: No plus a sentence with Leo and sometimes. Line 2: D1. Line 3: the YES count.

- 2 A friend says Mina and Jo are at the library after class every day. Use D2. Line 1: No plus a sentence with both names and never. Line 2: D2. Line 3: the YES count.

B Keep the missing fact

Write a clear three-line reply/check.

- 3** A friend says Ruth never swims after class. Use D3. Line 1: No plus a sentence naming the known YES days. Line 2: D3. Line 3: name the day marked ?.

- 4** Use D4 for a class message. Line 1: a sentence with Ben, is and always in neutral middle position. Line 2: D4. Line 3: the YES count.

C Use an update

Write a clear three-line reply/check.

- 5 Update U changes D1: Tuesday is now YES; all other days stay the same. Repair "Leo always eats fruit at lunch." Line 1: a sentence with Leo and sometimes. Line 2: D1/U. Line 3: the new YES count.

- 6 New row T2: Dara checks the class board. Monday to Friday: YES on all five days. Line 1: a sentence with Dara, check and always in neutral middle position. Line 2: T2. Line 3: the YES count.
