

# Describing a shared table

Student sheet · English

Describe useful features and relate them to a need.

Present tense, common nouns and adjectives, times and basic connectors. Use a dictionary if needed.

## Model and comments

Esta es mi habitación. Hay una mesa junto a la ventana y una lámpara blanca. Mi cuaderno está sobre la mesa. No hay televisión. Aquí puedo estudiar con calma y escribir mis textos de español.

**Esta es mi habitación.** — It names what is being described before adding details.

**una lámpara blanca** — It gives a feature the reader can use.

**Aquí puedo estudiar con calma** — It links the description to a practical need.

## Your task

Write a Spanish description for Ana, who wants to draw or watch a film. The shared table is beside the door, with two chairs and coloured pencils. There is no screen. Describe its location and equipment, then recommend the possible activity.

Guidance: 20–40 words; meaning matters, not an exact count.

## Plan

1. Who will read your text, and what do they need to know first?
2. Note the facts you must keep and decide what information you will add.
3. Plan the order of your ideas and a sentence for your decision or request.

## Check and revise

[ ] Identify the shared table beside the door.

[ ] Include two chairs and coloured pencils.

[ ] State that there is no screen.

[ ] Recommend drawing at the table.

Keep your draft. Mark an improvement and explain why it helps the reader; if it already meets the criteria, identify and justify a specific check.
