LA REGLA

Para concertar una cita, separa día, hora, punto de encuentro y destino. On precede un día o fecha (on Tuesday, on 3 May); at, una hora exacta (at 10:30); in, un mes o tramo general del día (in June, in the morning). Un tramo de un día concreto usa on: on Saturday evening. En lugar, at fija un punto (at the gate), in sitúa dentro (in the room) y on, sobre una superficie (on the door). Para un trayecto, from marca origen y to destino: from the library to the museum. Comprueba que la frase conserve todos los datos del aviso.

¡Ojo! — el fallo típico. In the room, at the entrance y on the door son relaciones distintas. Invertir from y to cambia el recorrido.
