Ficha 2 de 2 · Ficha 2 · turn out · hand out · check out · carry out, cuándo lleva of, y out contra in

LA REGLA

OUT saca algo de dentro y lo pone a la vista. Find out es descubrir —la información sale—, point out es señalar, work out es resolver, y sort out es aclarar un lío. En todos, algo que estaba escondido acaba fuera.

¡Ojo! — el fallo típico. Confundir find y find out. Find es encontrar un objeto —I found my keys—; find out es enterarse de algo —I found out the truth—. No se pueden cambiar.
