

Use of English C1: elipsis y sustitución

Ficha 4 de 4 · Combine substitutions

LA REGLA

Para evitar repeticiones, el inglés puede dejar el auxiliar: She has finished, but he hasn't. Para mostrar acuerdo, usa so + auxiliar + sujeto en afirmativa y neither + auxiliar + sujeto en negativa. One/ones sustituyen nombres contables mencionados; si no hay modificador, en plural suele usarse some/any. Think/hope + so sustituyen una idea completa. Do so retoma una acción, sobre todo en registro formal. Tras un infinitivo con to puede omitirse el verbo y quedar to solo: I didn't want to, but I had to.

¡Ojo! — el fallo típico. So I do suele confirmar una observación sobre uno mismo, no expresar 'yo también'. Para coincidir con I like it, responde So do I. No uses one para un nombre incontable como water.

1 Clasifica los ecos según el auxiliar que se conserva.
