

Práctica A2.2: pasado y preguntas

Ficha 3 de 3 · Questions and was or were

LA REGLA

En pasado, los verbos regulares añaden -ed (played) y algunos cambian (go → went). Para negar o preguntar con otro verbo, usa did/didn't + forma base: Did she go? She didn't go. Be funciona por separado: I/she/he was; you/we/they were. No uses did con was/were.

¡Ojo! — el fallo típico. La marca de pasado va una sola vez: Did she go?, no Did she went?
