

Use of English B1.2: verbo + -ing o to

Ficha 2 de 3 · Complete and repair the meaning

LA REGLA

Aprende el patrón con el verbo: enjoy/avoid/suggest + -ing; decide/agree/promise + to + verbo; ask/tell + persona + to + verbo. Si a una preposición le sigue un verbo, este va en -ing: look forward to seeing. Stop doing es dejar una actividad; stop to do es parar para hacer otra. Remember doing recuerda algo ya hecho; remember to do conserva una tarea pendiente. Try doing propone un experimento; try to do expresa un intento.

¡Ojo! — el fallo típico. El to de look forward to es preposición: I look forward to seeing you, no to see. El sujeto y la intención del contexto deciden el significado de stop y remember.
