

Práctica A2.1: presente y frecuencia

Ficha 2 de 3 · Frequency adverbs

LA REGLA

Present simple describe rutinas (I walk every day); present continuous describe lo que ocurre ahora (I am walking now). Con he/she/it, la rutina añade -s. Los adverbios de frecuencia suelen ir antes del verbo principal (she usually walks) y después de be (she is usually early).

¡Ojo! — el fallo típico. No omitas am/is/are en la acción actual: She is reading now.
