

Práctica A1.2: rutinas y preguntas

Ficha 1 de 3 · I work; she works

LA REGLA

En una rutina, I/you/we/they llevan el verbo base (I work); he/she/it añaden -s (she works). Para negar, usa don't o doesn't + verbo base: she doesn't work. Para preguntar, Do/Does va antes del sujeto: Does she work? Si preguntas por lugar o cosa, pon Where/What delante: Where does she work?

¡Ojo! — el fallo típico. La -s aparece una sola vez: she works, pero she doesn't work y Does she work?
