

## Práctica C1: verbos para informar

Ficha 3 de 3 · Ing and prepositions

### LA REGLA

El verbo de informe atribuye una postura: claim sostiene, admit reconoce, deny rechaza, concede admite un punto. Claim/admit/deny pueden introducir that + proposición. Explain y point out ponen to antes de la persona. Urge/warn/advise llevan persona + to + verbo; promise/refuse, to + verbo. Deny/suggest admiten -ing; accuse somebody of, apologise for e insist on van con -ing.

**¡Ojo! — el fallo típico.** No traduzcas directamente «explicó al equipo»: explained to the team, no explained the team.
