

Pasado y participio iguales: bought, taught, slept

Ficha 2 de 3 · find · hear · meet · pay, la trampa de payed, y tell frente a say

LA REGLA

Aquí el infinitivo cambia, pero el pasado y el participio son IGUALES entre sí: buy → bought → bought. Es el grupo más numeroso, y hay subgrupos que riman: -ought, -aught, -ept, -old.

¡Ojo! — el fallo típico. Inventar una tercera forma que no existe: «boughten», «taughten». Si el pasado y el participio son iguales, no hay tercera forma que buscar.
