

31 palabras de comida y bebida, y por qué no existe «a bread»

Ficha 2 de 4 · Ficha 2 · soap, lo único que no se come · Food contra Drink y Countable contra Uncountable · how much, how many, any y some cheese

LA REGLA
En inglés hay comida que se cuenta y comida que no. Con la que no se cuenta —bread, milk, rice, water— no se pone a/an ni un número delante: se dice some bread, a slice of bread, two glasses of milk.

¡Ojo! — el fallo típico. Decir «a bread» o «two milks». Y dos trampas de esta lista para ti: soap es «jabón» —la sopa es soup— y grape es «uva», no «grapa».
