LA REGLA

La familia en inglés son dos cosas a la vez: la palabra (mother, uncle, niece) y el posesivo 's pegado al dueño. En inglés el dueño va PRIMERO: my father's brother es «el hermano de mi padre», leído del revés.

¡Ojo! — el fallo típico. parents NO son los parientes: son la madre y el padre, nada más. Los parientes —tíos, primos, abuelos— son relatives. Y el posesivo va al revés: «el coche de mi padre» es my father's car.
