

I 28 errori dell'italiano che inizia

Ficha 1 de 3 · Ficha 1 · avere que es to be: anni, fame, freddo, ragione, e el sujeto obligatorio · el posesivo sin artículo y sono d'accordo

LA REGLA

Quasi tutto nasce da quattro abitudini dell'italiano: il possessivo ha l'articolo, «essere d'accordo» sembra un aggettivo, «da» fa insieme da for e da since, e «per» davanti a un infinito diventa for.

¡Ojo! — el fallo típico. «I am agree» e «I am here from three days». Tutti e due sono traduzione parola per parola di strutture italiane che in inglese non esistono.

1 «Avere» in italiano è quasi sempre to be in inglese. Distribuisce ogni fine di frase.
