

14 idiom di tempo e fretta che si usano davvero

Ficha 3 de 3 · Ficha 3 · cuáles se traducen a tu idioma y cuáles hay que memorizar enteros · idioms mal escritos y mal usados: una preposición cambia el sentido

LA REGLA

Un idiom non si traduce parola per parola: si impara intero e con il suo contesto. Questi quattordici sono quelli dell'orologio.

¡Ojo! — el fallo típico. Tradurre l'idiom della propria lingua e sperare che funzioni. «At the eleventh hour» non sono le undici.

1 Ha un equivalente quasi letterale nella tua lingua o no? Distribuisci.

against the clock · around the clock · better late than never · call it a day · in the nick of time · kill time · on the dot · time flies

translates almost word for word	no literal equivalent
