LA REGLA

BACK riporta qualcosa dov'era: give back, call back, come back, put back. AWAY lo allontana o lo fa sparire: throw away, give away, run away, put away. Sono direzioni opposte, ed è per questo che put back e put away non significano lo stesso.

¡Ojo! — el fallo típico. Confondere give back con give away. Give back è restituire al proprietario; give away è regalare a chiunque, o svelare un segreto: don't give away the ending.
