

Phrasal verbs con ON: ciò che continua e non si ferma

Ficha 1 de 2 · Ficha 1 · on de contacto y on de continuar: put · turn · try · get on · go · carry · keep · hold on

LA REGLA

ON ha due sensi. Uno è di CONTATTO: put on ti mette i vestiti addosso, turn on collega la corrente. L'altro è di CONTINUARE: go on, carry on e keep on significano proseguire. Se qualcosa non si interrompe, ha on.

¡Ojo! — el fallo típico. Usare go on e get on come se fossero uguali. Go on è continuare; get on è salire su un mezzo o andare d'accordo con qualcuno. Non si somigliano affatto.
