LA REGOLA

Per un lavoro svolto da un'altra persona per te, usa have + oggetto + participio: I had my car repaired. Get è più colloquiale: I got my phone fixed. Coniuga have secondo il momento: have, had, am having, will have; il participio resta invariato. La stessa struttura può descrivere un fatto subito (She had her bag stolen), senza implicare che lo abbia richiesto. Con una persona concreta, have somebody do usa il verbo base: I had the mechanic check it.

Attenzione! — l'errore tipico. I had my hair cut implica il parrucchiere; I cut my hair dice che ho usato io le forbici.
