

Pratica B1.1: esperienza e durata

Scheda 3 di 3 · Recent result

LA REGOLA

Il present perfect collega passato e presente: have/has + participio (I have seen; she has seen). Ever/never parlano di esperienze senza data. For misura la durata (for two years); since indica l'inizio (since 2020). Just indica un fatto recente, already uno già avvenuto e yet uno atteso in frasi negative e domande.

Attenzione! — l'errore tipico. Dopo have/has usa il participio: She has seen, non She has saw.
