

Pratica A2.2: passato e domande

Scheda 2 di 3 · Did and base verb

LA REGOLA

Al passato i verbi regolari aggiungono -ed (played) e alcuni cambiano (go → went). Per negare o chiedere con un altro verbo, usa did/didn't + forma base: Did she go? She didn't go. Be funziona a parte: I/she/he was; you/we/they were. Non usare did con was/were.

Attenzione! — l'errore tipico. Il passato si segna una sola volta: Did she go?, non Did she went?
