

Pratica B2.1: passivo e agente

Scheda 2 di 3 · Agent and focus

LA REGOLA

Il passivo mette prima ciò che subisce l'azione: be nel tempo adatto + participio (is checked, was checked, has been checked, will be checked). Usa by solo se l'autore aggiunge informazioni precise. Il passivo serve se l'autore è ignoto o conta il processo. Give permette I was given a copy. I resoconti usano It is said that o She is said to live...; get fired è informale.

Attenzione! — l'errore tipico. Non aggiungere by somebody se non sai chi ha agito: My bike was stolen basta.

1 Collega il tempo alla frase passiva.

The road has been repaired. · The road is repaired each year. ·
The road was repaired yesterday. · The road will be repaired.
