

Pratica A2.1: presente e frequenza

Scheda 3 di 3 · Contrast in context

LA REGOLA

Il present simple descrive le abitudini (I walk every day); il present continuous ciò che accade ora (I am walking now). Con he/she/it, l'abitudine aggiunge -s. Gli avverbi di frequenza di solito precedono il verbo principale (she usually walks) e seguono be (she is usually early).

Attenzione! — l'errore tipico. Non omettere am/is/are nell'azione in corso: She is reading now.
