

Pratica A1.2: abitudini e domande

Scheda 1 di 3 · I work; she works

LA REGOLA

Nelle abitudini, I/you/we/they usano il verbo base (I work); he/she/it aggiungono -s (she works). Per negare, usa don't o doesn't + verbo base: she doesn't work. Nella domanda, Do/Does precede il soggetto: Does she work? Per chiedere il luogo o la cosa, metti Where/What prima: Where does she work?

Attenzione! — l'errore tipico. La -s compare una sola volta: she works, ma she doesn't work e Does she work?
