LA REGOLA

Un'espressione negativa o restrittiva iniziale può invertire ausiliare e soggetto: Never have I seen; Only then did we learn. Nei periodi ipotetici formali, Had I known e Should you need sostituiscono if. No sooner si abbina a than; hardly/scarcely a when. L'inversione dà enfasi e dipende dal genere: avviso, racconto, discorso o email formale; una conversazione comune tende a preferire l'ordine normale.

Attenzione! — l'errore tipico. Non basta mettere never all'inizio: Never I have seen è scorretto. Non si scambiano neppure than e when nelle coppie fisse.
