

Le tre forme distinte: go, went, gone

Ficha 1 de 3 · go · see · write · take, y los participios en -en que van detrás de have

LA REGLA

Qui le tre forme sono DIVERSE: go → went → gone. Molti participi di questo gruppo finiscono in -en: seen, written, taken, given, broken. Se suona in -en, è participio e va dopo have.

¡Ojo! — el fallo típico. Usare il passato dove va il participio: «I have went», «I have saw», «I have took». Dopo have NON va mai il passato.
