

Il corpo in inglese: teeth, feet e i capelli al singolare

Ficha 2 de 4 · Ficha 2 · las partes pequeñas y el reparto de plurales

LA REGLA

Quasi tutte le parti del corpo fanno il plurale con -s: two hands, ten fingers. Solo due fanno eccezione: tooth → teeth e foot → feet. E hair non si conta: è singolare, my hair IS long.

¡Ojo! — el fallo típico. «Capelli» è plurale e hair è singolare: my hair is long, mai *my hairs are long*. E attenzione ai plurali: tooth → teeth, foot → feet, mai *tooths* né *foots*.
