LA REGLA

La scuola, i suoi oggetti e quello che ci si fa. Attenzione a tre: homework non ha plurale, lesson è l'ora di lezione e class è il gruppo di alunni, e library è la biblioteca.

¡Ojo! — el fallo típico. Library è la biblioteca; la libreria dove compri i libri è a bookshop. E i compiti si dicono al singolare e con do: I do my homework, mai «I make my homeworks».

1 Collega ogni verbo a quello che gli sta bene.
