

L'abbigliamento in inglese: 30 parole e tre trappole

Ficha 4 de 4 · escribir la frase bien: a trouser, fabric por factory, jean, I use a shirt y I dress me

LA REGLA

Con wear dici che cosa indossi; con put on, il momento preciso in cui te lo metti. E trousers, jeans, shorts, glasses, pyjamas e clothes sono SEMPRE plurali: vogliono are e si contano con a pair of.

¡Ojo! — el fallo típico. Fabric non è «fabbrica»: fabric è il tessuto, e la fabbrica è a factory. E attenzione al verbo: in italiano ci si veste con un riflessivo, ma in inglese non si dice I dress me — si dice I get dressed.
