

Viaggi e alloggio: trip, journey e travel

Ficha 3 de 4 · Ficha 3 · las cinco palabras que se confunden: journey, pension, campsite, car park y holiday · la jornada laboral es the working day · el vuelo se pierde con miss, no con lose

LA REGLA

Tre parole per «viaggio» e non sono intercambiabili: travel è viaggiare in generale e non vuole l'articolo; a trip è la gita intera, andata e ritorno; a journey è il tragitto da un punto all'altro. Prenotare è to book e alloggiare è to stay.

¡Ojo! — el fallo típico. Journey non è «giornata»: la giornata di lavoro è the working day. L'aereo non si perde con lose, ma con miss: we missed our flight. E i bagagli sono luggage, sempre singolare: luggages non esiste.
