A REGRA

Para um trabalho feito por outra pessoa para ti, usa have + objeto + particípio: I had my car repaired. Get serve na conversa: I got my phone fixed. Conjugua have segundo o momento: have, had, am having, will have; o particípio mantém-se. A mesma estrutura pode descrever algo sofrido (She had her bag stolen), sem implicar que o pediu. Com uma pessoa concreta, have somebody do usa verbo base: I had the mechanic check it.

Atenção! — o erro mais comum. I had my hair cut implica cabeleireiro; I cut my hair diz que usei eu a tesoura.

1 Liga o momento à forma da causativa.

I am having it cleaned. · I had it cleaned. · I have it cleaned. · I will have it cleaned.
