

Prática A2.2: passado e perguntas

Ficha 1 de 3 · Past forms

A REGRA

No passado, os verbos regulares acrescentam -ed (played) e alguns mudam (go → went). Para negar ou perguntar com outro verbo, usa did/didn't + forma base: Did she go? She didn't go. Be funciona à parte: I/she/he was; you/we/they were. Não uses did com was/were.

Atenção! — o erro mais comum. A marca de passado aparece uma só vez: Did she go?, não Did she went?
