

Prática B2.1: passiva e agente

Ficha 3 de 3 · Reports and register

A REGRA

A passiva põe primeiro o que recebe a ação: be no tempo adequado + participio (is checked, was checked, has been checked, will be checked). Usa by só quando o autor acrescenta informação concreta. A passiva serve quando o autor é desconhecido ou o processo interessa. Give permite I was given a copy. Os relatos usam It is said that ou She is said to live...; get fired é informal.

Atenção! — o erro mais comum. Não acrescentes by somebody quando não sabes quem agiu: My bike was stolen basta.

1 Liga o foco da mensagem à redação.

The bike was stolen. · The bridge was designed by Lina. · The editor corrected the title. · The samples were heated.
