

Prática A2.1: presente e frequência

Ficha 2 de 3 · Frequency adverbs

A REGRA

Present simple descreve rotinas (I walk every day); present continuous descreve o que acontece agora (I am walking now). Com he/she/it, a rotina acrescenta -s. Os advérbios de frequência costumam vir antes do verbo principal (she usually walks) e depois de be (she is usually early).

Atenção! — o erro mais comum. Não omitas am/is/are na ação atual: She is reading now.
