

## Prática A1.2: rotinas e perguntas

Ficha 1 de 3 · I work; she works

### A REGRA

Numa rotina, I/you/we/they usam o verbo na forma base (I work); he/she/it acrescentam -s (she works). Para negar, usa don't ou doesn't + verbo na forma base: she doesn't work. Na pergunta, Do/Does vem antes do sujeito: Does she work? Para perguntar pelo lugar ou pela coisa, coloca Where/What antes: Where does she work?

**Atenção! — o erro mais comum.** La -s aparece uma só vez: she works, mas she doesn't work e Does she work?
