

A vogal que viaja: sing, sang, sung

Ficha 1 de 2 · el patrón i-a-u entero: sing · drink · swim · ring · begin · run · sink · shrink

LA REGLA

Estes dez mudam só a VOGAL, e sempre pela mesma ordem: i no infinitivo, a no pasado, u no participio. Sing → sang → sung. Se souberes um, sabes os dez.

¡Ojo! — el fallo típico. Saltar o a do pasado e usar o u para tudo: «I drunk a coffee». Drunk é participio; o pasado é drank.
