

Use of English: formar a palavra que a frase exige

Ficha 4 de 4 · frases completas de Use of English

A REGRA

Em word formation, não copies automaticamente a base em maiúsculas. Lê as palavras vizinhas: a ___ report costuma pedir adjetivo, mas a ___ of reports, nome; um verbo seguido de espaço pode pedir advérbio. Depois decide a polaridade e confirma a grafia: reliable → reliability, decide → decision, possible → impossible. O prefixo não substitui a mudança de categoria.

Atenção! — o erro mais comum. Acrescentar um sufixo familiar sem ler o sentido: «an irresponsible decision» é possível, mas significa o contrário de «a responsible decision». Lê a frase toda antes de escolher in-, im-, un- ou dis-; não há um prefixo negativo universal.
