Ficha 2 de 3 · Ficha 2 · el día de clase: lesson, class, subject, timetable y mark · do o make · homework en singular · library, bookshop y el falso amigo lecture

LA REGLA

A escola, os seus objetos e o que lá se faz. Atenção a três: homework não tem plural, lesson é a aula de uma hora e class é a turma, e library é a biblioteca.

¡Ojo! — el fallo típico. Library é a biblioteca; a livraria onde se compram livros é a bookshop. E os trabalhos de casa dizem-se no singular e com do: I do my homework, nunca «I make my homeworks».
