

A família em inglês e o possessivo 's

Ficha 1 de 5 · quién es quién: parents y grandparents frente a relatives · everyone has two parents · uncle, aunt, cousin, nephew, niece y grandson leídos desde el posesivo · husband, wife y children

LA REGLA

Em inglês a família aprende-se em duas partes: a palavra (mother, uncle, niece) e o possessivo 's colado ao dono. E o dono vem PRIMEIRO: my father's brother é «o irmão do meu pai», lido ao contrário.

¡Ojo! — el fallo típico. parents NÃO são os parentes: são a mãe e o pai, mais nada. Os parentes —tios, primos, avós — são relatives. E atenção ao artigo: diz-se my mother, nunca «the my mother».
