

A roupa em inglês: 30 palavras e três ciladas

Ficha 4 de 4 · escribir la frase bien: a trouser, fabric por factory, jean, I use a shirt y I dress me

LA REGLA

Com wear dizes o que trazes vestido; com put on, o momento exato em que o vestes. E trousers, jeans, shorts, glasses, pyjamas e clothes são SEMPRE plurais: levam are e contam-se com a pair of.

¡Ojo! — el fallo típico. Fabric não é «fábrica»: fabric é o tecido, e a fábrica é a factory. E cuidado com o verbo: em português «usa-se» uma camisa, mas em inglês não se diz I use a shirt — diz-se I wear a shirt.

1 A frase está mal. Escreve-a bem.

I have a new trouser for the party.

2 Falso amigo. Escreve a frase bem.

My aunt works in a fabric near the station.

.....

3

They make cars in that big outside the town.

4 Liga cada significado ao seu verbo.

get dressed · put on · take off · try on · wear
